

EAGLES WRESTLING CLUB

The Eagles Wrestling Club is a community club open to all girls and boys at all different levels of experience in Kindergarten up through 8th grade. We practice in the Saydel High School wrestling room. Our coaching staff consists solely of volunteer coaches, who have many years of experience with the sport.

The main focus of the Eagles Wrestling Club is to teach our wrestlers the fundamentals of wrestling while having fun and being part of a team. Our coaches stress strong values in academics, character building, citizenship, and sportsmanship in addition to just being a successful wrestler. Our coaches strive for the wrestlers to realize the rewards of their hard work and dedication is our wrestlers becoming successful in all areas and being great student athletes. We feel this teaches self discipline and furthers their commitment and desire to succeed.

The Eagles Wrestling Club is a completely independent, non-profit organization and all money received goes directly to our club for the various needs of our wrestlers. We like to give the opportunity to all youth to be able to participate in our club with all of the necessary equipment to give them the best learning environment.

The Eagles Wrestling Club is looking for support to help our youth wrestling program. With past years' donations, we have been able to help outfit our wrestlers. We are now on a quest to host our own annual tournament, which is a very exciting and rewarding opportunity for our wrestlers and our club, yet a costly event to get started. Any contribution you can make to our club would be greatly appreciated and used towards equipment needed to help outfit our wrestlers and to help pay for expenses involved with the start up of our tournament.

If you have supported our club in the past, we thank you for your help. For those of you who can donate to our club this year, we thank you in advance for your invaluable help and support.
